

Hedley ISD

Permission to Publish Student Information

At times Hedley ISD would like to publish student information in newspapers or other forms of public media. This information could include student name, pictures, academic performance, extra-curricular competitions, classroom activities or any other event your student is a part of.

Please sign below to give Hedley ISD permission to use your child's information for media publication.

I give permission for Hedley ISD to use my child's information in media publications.

Student name _____

Parent signature _____
